FTI Consulting, Inc. (the “Applicant” or “FTI”), financial advisor to the Official Committee of Unsecured Creditors (the “Committee”) in the above-captioned chapter 11 case (the “Chapter 11 Case”), hereby applies (the “Application”), pursuant to sections 330 and 331 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and the Court’s *Order Establishing Procedures for Interim Compensation And Reimbursement of Expenses of Professionals* (Docket No. 224) (the “Interim Compensation Order”), for allowance of compensation for services rendered and reimbursement of expenses for the period from May 1, 2024 through May 31, 2024 (the “Ninth Monthly Application Period”), for allowance of compensation for services rendered and reimbursement of expenses for the period from June 1, 2024 through June 23, 2024 (the “Tenth Monthly Application Period”), and for final allowance and payment for services rendered and reimbursement of expenses for the period (the “Final

Application Period”) from April 21, 2023 through June 23, 2024 (the “Effective Date”) and respectfully represents as follows:

1. The Court has jurisdiction to consider this Application pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b).
2. Venue of the Chapter 11 Case and this Application in this District is proper under 28 U.S.C. §§ 1408 and 1409.
3. The legal predicates for the relief requested herein are Bankruptcy Code sections 330 and 331, Bankruptcy Rule 2016, and the Interim Compensation Order.

BACKGROUND

A. The Chapter 11 Case

4. On August 7, 2023 (the “Petition Date”), Mercy Hospital, Iowa City, Iowa (“Mercy”) and certain of its affiliates and subsidiaries, as debtors and debtors-in-possession (the “Debtors”) commenced the Chapter 11 Case by filing petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate its business and manage its properties as debtors and debtors-in-possession pursuant to Bankruptcy Code section 1107(a) and 1108. No trustee or examiner has been appointed in the Chapter 11 case.

5. On August 15, 2023, the Office of the United States Trustee (the “U.S. Trustee”) appointed the Committee pursuant to Bankruptcy Code section 1102(a) [Docket No. 107]. The Committee members are:

- A) Altera Digital Health, Inc.;
- B) J&K PMS, Inc.;
- C) Medifis;
- D) Steindler Orthopedic Clinic;
- E) Cardinal Health

6. On September 1, 2023, the U.S. Trustee filed the Amended Notice of Appointment of Committee of Unsecured Creditors [Docket No. 180] appointing two additional Committee members:

- F) MediRevv, Inc.;
- G) Owens & Minor

7. Additional information regarding the Debtor and the Chapter 11 Case, including the Debtor's business operations, capital structure, financial condition, and the reasons for and objectives of the Chapter 11 Case, is set forth in the *Declaration of Mark E. Toney in Support of Chapter 11 Petitions and First Day Pleadings* [Docket No. 27] (the "Toney Declaration").

B. The Retention of FTI

8. On September 14, 2023, the Committee applied to the Court [Docket No. 229] (the "FTI Application") for an order authorizing the Committee to retain and employ FTI as their financial advisor, effective as of August 21, 2023. On October 12, 2023, the Court entered an order authorizing such retention [Docket No. 356].

C. The Interim Compensation Order

9. On September 14, 2023, the Court entered the Interim Compensation Order¹, which sets the procedures for interim compensation and reimbursement of expenses in the Chapter 11 Case. Specifically, the Interim Compensation Order provides that a Retained Professional may file and serve a Monthly Fee Application on or after the fifteenth (15th) day of each month following the month for which compensation is sought. Fourteen (14) days after the service of a Monthly Fee Application, the Debtor is authorized to pay such Retained Professional eighty percent (80%)

¹ Capitalized terms used but not defined shall have the meanings provided in the Interim Compensation Order.

of the fees and one-hundred percent (100%) of the expenses requested in the Monthly Fee Application that are not subject to an Objection.

10. On December 28, 2023, The United States Trustee objected to the Second Monthly Fee Application (docketed as Third Application for Compensation) on various grounds, arguing that the Court should reduce the Second Monthly Fee Application by 30%, at [Docket No. 607] (the “Objection”). On February 20, 2024, FTI and the United States Trustee reached a compromise on the Objection, as follows:

- (a) FTI Consulting, Inc., is awarded 70% of the requested fees;
- (b) FTI Consulting, Inc., and the United States Trustee reserve adjudication on the remaining 30% at the time of a final fee application for FTI Consulting, Inc.

D. Primary Benefits

11. In addition to the financial work performed to educate the Committee and Counsel on the operations and liquidity of the Debtor, FTI assisted Counsel in various investigations and waterfall analyses to drive this case to a beneficial conclusion for all of the constituent parties. FTI worked constructively with ToneyKorf Partners, LLC (“ToneyKorf”), as CRO and CFO of the Debtors, to review and analyze the cash flow and maintain necessary liquidity levels. In addition, FTI worked constructively with Fifth Third Securities, Inc. (formerly known as H2C Securities, Inc.) (“Fifth Third”), as investment banker to the Debtors, and ToneyKorf to consensually craft a capital markets and M&A strategy for Mercy. This included setting mutually agreed upon milestones for marketing, reviewing indications of interest and selecting final indications in the sale of the hospital and its assets including Mercy’s interests in various joint ventures. During this process FTI provided insight and contacts for potential buyers to the Debtors to ensure valuable information was available for positioning assets for sale and

identifying likely potential acquirors. Through the significant efforts from FTI and all other professionals, the sale was successful, resulting in the preservation of jobs and access to healthcare for the Community. Post-sale, FTI worked with the Debtors to manage liquidity and maintain efficient operations of the hospital. FTI, with Sills, also worked closely with Berkeley Research Group, LLC, (“BRG”), financial advisors to the bondholders, HBM Management Associates, LLC (“HBM”), financial advisors to the pension committee, and ToneyKorf to maximize recovery for all stakeholders and consummate a Plan of Reorganization without costly litigation. Additionally, FTI assisted the Official Committee of Pensioners (“Pension Committee”) in its search for a pension plan administrator. With FTI’s assistance, the Pension Committee was able to find a plan administrator at a reasonable cost with extensive experience in the area. This resulted in the efficient administration of the plan and preservation of the pension fund’s assets leading to an increased recovery to the members of the pension committee. Further, FTI provided input to ToneyKorf on the operational plan to manage liquidity and wind down certain operations ahead of consummation of the confirmed Plan of Liquidation. This effort involved balancing the competing priorities of minimizing cost, preserving liquidity and maintaining the prospects of various potential asset sales, monetization’s and reorganization constructs. The fee application for the case already includes a voluntary 30% reduction.

DISCUSSION

61. Section 330(a) of the Bankruptcy Code provides, in pertinent part, that:

[T]he court may award . . . reasonable compensation for actual, necessary services rendered by the . . . attorney and by any paraprofessional person . . . and . . . reimbursement for actual, necessary expenses. . . . In determining the amount of reasonable compensation to be awarded, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including – (A) the time spent on such services;

(B) the rates charged for such services; (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under [the Bankruptcy Code]; (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and (E) whether the compensation is reasonable, based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title

62. The Eighth Circuit Court of Appeals has stated:

“[Reasonable] [c]ompensation . . . presumably reflects (1) the novelty and complexity of the issues, (2) the special skill and experience of counsel, (3) the quality of representation, and (4) the results obtained.”

P.A. Novelly v. Palans (In re Apex Oil Co.), 960 F.2d 728, 731–32 (8th Cir. 1992).

63. In reviewing this Application, the Court should be guided by the Eighth Circuit’s instruction to ascertain whether such services were rendered and billed in accordance with the established market for legal services in similar matters:

Section 330 “is meant to encourage high standards of professional legal practice in the bankruptcy courts. . . . Bankruptcy courts must consider whether the fee awards are commensurate with fees for professional services in non-bankruptcy cases, thus providing sufficient economic incentive to practice in bankruptcy courts.”

Mann v. McCombs (In re McCombs), 751 F.2d 286, 288 (8th Cir. 1984); *see also In re Continental Illinois Securities Litigation*, 962 F.2d 566, 568 (7th Cir. 1992) (“[I]t is not the function of judges in fee litigation to determine the equivalent of the medieval just price. It is so to determine what the lawyer would receive if he was selling his services in the market rather than being paid by court order.”).

64. This Application complies with the fee application requirements set forth in *In re Pothoven*, 84 B.R. 579 (Bankr. S.D. Iowa 1988). The exhibits to this Application list and describe each activity, the date it was performed, the professionals or professional who performed the work,

the time spent on the work, and the individual's hourly rate. *Id.* at 584. Furthermore, time and each task are broken down into tenths of an hour and individually recorded. See **Exhibit 1(a)**, **Exhibit 1(b)**, and **Exhibit 1(c)**.

65. FTI's hourly rate of compensation for professionals and para-professionals during the Application Period range from \$325.00 to \$1,390.00. These rates are comparable to rates charged by other practitioners having the same amount of experience, expertise, and standing for similar services in this jurisdiction. FTI consistently and consciously made reasonable efforts to represent the Committee in the most economical, efficiently, and practical manner possible.

66. In accordance with the factors enumerated in Bankruptcy Code section 330, FTI submits that the amount requested is fair and reasonable given (a) the complexity of the Chapter 11 case, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under this title.

67. The fees charged by FTI in this case are billed in accordance with its existing billing rates and procedures set forth in the FTI Application, in effect during the Application Period.

68. FTI's rates for the services rendered by its professionals and paraprofessionals in these chapter 11 cases are the same rates that FTI charges for services rendered in comparable non-bankruptcy matters. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy cases in a competitive national legal market.

69. FTI reserves the right to correct, amend, or supplement this Application, including, without limitation, to seek payment in the event this Application is not approved in full.

NO PRIOR REQUEST

70. No prior request for the relief sought in the Application has been made to this or any other court.

WHEREFORE, FTI respectfully requests that the Court enter an order:

- (a) Approve the allowance and payment of \$11,550.00 for compensation for professional services rendered to the Committee during the Ninth Monthly Application Period;
- (b) Approve the allowance and payment of \$3,710.00 for compensation for professional services rendered to the Committee during the Tenth Monthly Application Period;
- (c) Approve, on a final basis, the allowance and payment of \$654,300.00 for compensation for professional services rendered to the Committee during the Final Application Period;
- (d) Approve the reimbursement of FTI's out-of-pocket expenses incurred in connection with the rendering of such services during the Final Application Period in the amount of \$9,509.43;
